The Board, having been told that the two Extensions and outlying villages and suburbs have been left out in the present scheme of operations, are of opinion that this omission may be pointed out to the Government as not being in strict accordance with the terms of the original resolution.

The Board thank Messrs. Gibbs and Calvert for their presence to-day at the meeting and their assurance to meet the requirements of the City and wishes of the Commissioners in giving an efficient system of electric lighting.

Resolution.—As the President has not compounded with the petitioners, following the practice in some important Municipalities as called for in their Resolution dated 25th January 1900, the Board regret their inability to extend the temporary concession shown at the time the said Resolution was passed.

5. Read letter dated 25th November 1904, from Mr. J. G. Tait, Professor of Language Central, College, tendering resignation of the Presidentship of the City Municipal School's Committee.
